CAFOD

***CAFOD Standing together against UK aid cuts** - In February 2025 the UK Government cut its aid budget to the lowest level in 25 years. For decades, UK aid has saved lives, supported communities and upheld our shared responsibility to care for our global neighbours. But UK spending will fall from 0.5% to less than 0.3% of national income by 2027, a £6 billion cut. Families in the world's poorest countries still face hunger, climate disasters and crushing debt. Women and girls are hit very hard, losing access to vital health services and protection from violence. In 2023, 28% of the aid budget was spent on refugee costs in the UK, leaving less for poverty reduction overseas. CAFOD's response: We recognise aid delivery is changing. That's why CAFOD is stepping up advocacy, working directly with Parliament and civil servants to ensure countries in the Global South have the tools, resources and decision-making power to stand on their own and shape their futures. Our debt campaign this year is calling for action to reduce the debt burden on low-income countries, so that they can invest more in public services rather than paying huge sums to rich institutions. The legislation we're calling for would cost the UK taxpayer nothing and be a hugely positive step. Please let your MP know if you oppose existing and further cuts to the aid budget, as we aim to build the political will for returning to higher spending in the future. For more information, please visit [Latest campaigns](#)

SYNOD

Final Document - On Saturday 26th October 2024, the members of the Second Session of the XVI Ordinary General Assembly of the Synod of Bishops approved the Final Document. Pope Francis approved its publication. You can find it via this link; <https://www.synod.va/en/news/final-document-of-the-xvi-assembly.html>

Life Ascending Group - The group have recently finished their wall hanging to celebrate their personal and parish 'Synod Journey', which I'm sure you will agree, is absolutely beautiful. The plan is that it will be displayed in church in the alcove next to the altar during December and January. Many thanks to all those who contributed to making the squares and helped put the wall hanging together. The Life Ascending Group at St. Leonard's welcomes parishioners to be part of their meetings (3rd Weds of the month, 10.30am – 12pm). Any queries, speak to Barbara Jameson or Sarah Sharpe.

ST LEONARD'S

*Digital giving –

You can now support our parish through digital giving. Simply scan the [QR code](#) on the front of this newsletter or from the posters in church or in the hall and follow the steps. The codes will take you to a website from which donations to the church can be made, with a similar interface to the Dona machine. [Or](#) you can use the contactless card reader in the church porch. The new [Dona Digital giving terminal](#) has been installed by the door of the church and is similar to terminals you may have encountered elsewhere, providing the option to gift aid donations. (Information for gift aid only has to be input once for each credit or debit card). By adding Gift Aid to your donation, it allows us to increase the value of your donation at no extra cost. If you're a UK taxpayer, please consider signing up (you'll just need an email address). The terminal offers a variety of options, such as the offertory collection, items bought from the piety stall, second collection etc...with a similar interface to the Dona machine. If you need any help using the machine, please speak to a member of the finance team — we're happy to assist.
